

## Freaks

Freak show Joe we  
Only get to know your name  
Tweak those kids out  
Standing eight feet off the street now

Freak show Joe you  
Saved my life when  
I was drowning  
In the water  
We all love you

Three Leg Meg we  
Catch you extra kind to Joe  
Sea legs when you're together  
Life is better  
Nothing matters

Tiny Tina  
You paint the colors of the world  
Strange and wonderful  
Adding beauty to an otherwise ordinary  
Grey and white assembly line in a factory of faces
